## Welcome to the Island Cafe!

We are a family-owned and operated small business. We are long-time and life-long Island residents. Our food is home cooked and home baked. We want everyone to feel welcome.

## Feel good about what you're eating.

We use locally grown vegetables and fruit from the farmers' market at the Ontario Food Terminal. We use fresh herbs, vegetables and greens from our own garden. Our meat comes from Sanagan's Meat Locker, Toronto's premier ethical butcher. Our fish is all Ocean Wise certified, purchased from Diana's Seafood.
